SNAGGING

Snag List and Sign-off

The pre-handover inspection record for 34 Bayly. Items raised at inspection, the action taken, and the final sign-off confirming the home was ready for handover.

Inspection summary

ITEMS RAISED	14
ITEMS CLOSED	14
STATUS	signed off

Examples of items closed

- Adjusted the alignment on the en suite door so it closes cleanly.
- Touched up paintwork to the hall skirting.
- Balanced the ventilation flow rates and confirmed against the design figures.

Sign-off

All items were inspected and closed before handover. Anything that arises during the defects liability period is reported and tracked separately through the portal.
