WARRANTIES

Structural and Appliance Warranties

A summary of the warranties that apply to 34 Bayly, their durations, and how to make a claim. Keep this with your homeowner records.

STRUCTURE	covered, see HomeBond note
HEAT PUMP	manufacturer warranty
VENTILATION UNIT	manufacturer warranty
KITCHEN APPLIANCES	manufacturer warranty

Making a claim

- For appliances, register the product with the manufacturer to activate the full term.
- For installed systems, report the issue through the portal first so it is logged and routed correctly.
- Keep proof of service where a warranty requires routine maintenance.

Note

Warranty terms are set by each manufacturer. This summary is for convenience and does not replace the individual warranty documents.
